## The Galaxy Evolution Explorer: Managing the Unexpected

Presented by Dr. James Fanson,  
Deputy Manager, Instruments Division (38)

Wednesday  
October 2, 2013  
4:30 - 5:30 PM

JPL Library

west end of  
Building 111  
Room 104

Everyone is  
Welcome

Questions?  
call 354-4200

The Galaxy Evolution Explorer (GALEX) conducted the first wide area extragalactic surveys in the ultraviolet. Come hear about the "night at the cleanroom" and other adventures on the road to orbit.
